INSTRUCTORS' FUND OF THE AMERICAN TURNERS

The Instructors' Fund of the American Turners was established for the purpose of aiding Instructors who have served the Turners faithfully and who are seriously in need of assistance.

The following are some of the provisions of the Trust Agreement and Rules governing this Fund: All contributions must be added to the principal of the Fund. The principal must be invested only in high grade, United States Government, State, or Municipal Bonds. One-fourth of the income of this Fund must be added to the principal to insure the growth of the Fund. The balance of the income is available for distribution to worthy applicants. In order that an application for aid may be considered, the applicant must have rendered faithful service as an Instructor in a Turner Society of the American Turners. Application for aid may be submitted by the applicant or by the Executive Officers of a Turner Society, in which the applicant served. In making distribution of funds to needy applicants, it is obligatory upon the Trustees to take into consideration the acts of Instructors and/or their Societies in contributing to the Fund. All officers handling monies or resources of the Fund are adequately bonded. No Trustee

338 Powers Building — Rochester 14, N.Y.

National Executive Committee

American Turners

Rochester, New York

Gentlemen:

We have examined the balance sheets of American Turners General Fund, Physical-Cultural Fund, Festival Fund, Bowling Fund, Turner Topics Fund, Endowment Trust Fund and A-T-R Corporation as of December 31, 1960, and the related statements of income and expense for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheets and statements of income present fairly the financial position of American Turners General Fund, Physical-Cultural Fund, Festival Fund, Bowling Fund, Turner Topics Fund, Endowment Trust Fund and A-T-R Corporation at December 31, 1960, and the results of their operations for the year then ended, in conformity with generally accepted accounting principles.

Income and expenses of all funds are reported on the accrual basis, except that pledges to the American Turners Endowment Trust Fund were not accrued as income because of their uncertainty.
