INDIANAPOLIS ALUMNI CHAPTER

Striving to be the foremost African-American alumni association in the nation: One that not only strengthens and unifies our community but makes a positive, indelible impact on the world.

LETTER FROM DR. DURGANS

Welcome to the first Indianapolis Chapter of the Neal-Marshall Alumni Club newsletter and greetings from the Office of Diversity, Equity, and Inclusion (DEI) at Indiana University Purdue University Indianapolis (IUPUI)! Because alumni are an integral part of a university as it forges forward into the future, we want to keep you well informed. These newsletters will serve as a valuable resource for chapter, campus, and university-wide information important to you as an African-American alumnus of the Indiana University campus system and member of the university community.

The December 2008 re-chartering of the Neal-Marshall Indianapolis Alumni Chapter is symbolic of IUPUI Chancellor Charles Bantz's leadership and staunch commitment to diversity and the Indianapolis community. In addition to supporting the chapter, over the last few years, through a systemic approach to institutional transformation, the university has achieved considerable success in diversifying the campus: An Assistant Chancellor for Diversity, Equity, and Inclusion was hired and the DEI office

established; a new IUPUI Multicultural Center was created; 45 underrepresented faculty were hired through substantial investments in the Support for Recruiting Underrepresented Faculty (SRUF) initiative; and significant student improvements have been made - In the fall of 2009, for the first time the one year undergraduate retention rate of 73% for minority students exceeded the campus average.

All of these concrete developments, along with dedicated resources, hold promise for an even more inclusive campus that will better serve our students, faculty, staff, and alumni. Rest assured evidence is not just being seen on IUPUI's campus, but is also occurring system-wide. The Office of Diversity, Equity, and Inclusion is determined to ensure that diversity remains a pervasive force in every aspect of our university.

I would like to extend my appreciation to the Indianapolis Chapter of the Neal Marshall Alumni Club members for your support of your alma mater. As you continue to grow stronger as an orga-

nization, DEI looks forward to greater collaborations with you and we stand ready to assist you in your efforts to achieve your organizational goals.

Sincerely,

Kenneth B. Durgans, Ed.D.
