

A photograph of a modern library interior. In the foreground, a woman with dark hair, wearing a red sweater, is seated at a white circular table, reading a book. The table is surrounded by a large, curved, patterned armchair. In the background, there are bookshelves filled with books, a brown sofa, and a small round table. The lighting is warm and the atmosphere is quiet and studious.

# Books On Demand

*One of the many ways IUPUI University Library  
is providing you with **more than ever before.***

The Library is excited to offer the new **Books On Demand** service to IUPUI students, faculty, and staff. Traditionally librarians purchased books in anticipation of course assignments and research needs. Many books went unused. Efficient technologies have changed what's possible.

With **Books On Demand**, librarians are adding all the books they would typically purchase and more to the library catalog, IUCAT. The Library will buy a book at the moment an IUPUI student, faculty, or staff member wants to read it – using funds more wisely and increasing the availability of books to the campus.
