NEWSLETTER

DECEMBER 1970

AN IMPORTANT MEETING OF THE FACULTY COUNCIL of the School of Dentistry will be held at 4 p.m. Monday, December 14, in Room 115 of the Dental Building.

DR. MAYNARD K. HINE, IUPUI CHANCELLOR and former Dean of the Dental School, has been appointed to the National Advisory Dental Research Council for a four-year term. As a Council member, Dr. Hine will advise and make recommendations to the Director, National Institutes of Health, on dental and oral disease research and training projects to be awarded from funds appropriated to the National Institute of Dental Research.

Later this month Dr. Hine will receive the Alpha Omega Fraternity's Achievement Medal at the fraternity's convention in New Orleans.

MR. CURTIS REPORTS THAT THE FACULTY and staff of the Dental School contributed more than \$3200 to the United Fund Drive. Your donations were very helpful in putting the Medical Center campaign over the top.

DR. VAROUJAN A. CHALIAN, ASSOCIATE PROFESSOR and Chairman of Maxillofacial Prosthetics, was elected Vice President Elect of the American Academy of Maxillofacial Prosthetics at the annual meeting in Las Vegas. Dr. Chalian and Dr. Victor Mercer, Assistant Professor of Preventive Dentistry, were inducted as Fellows in the American College of Dentists.

THOSE INDUCTED INTO THE INTERNATIONAL COLLEGE OF DENTISTS at the annual meeting included Dean Ralph E. McDonald, Dr. Floyd E. Hale, Complete Denture Department, and Dr. Charles H. Redish, Oral Surgery Department.

THE LITTLE RED DOOR, Marion County Cancer Society, has approved a \$7600 grant to the Department of Maxillofacial Prosthetics, for clinical service for prosthetic rehabilitation of head and neck cancer patients.

NOTES FROM THE LIBRARIAN'S DESK:

Indiana University dedicated its new library building on the Bloomington Campus October 10, 1970. A few statistics will indicate the tremendous size of this structure...Total project budget: \$14,871,000...Total gross area: 582,185 square feet...Total net area: 378,420 square feet...Shelving capacity of five-story Undergraduate wing: 100,000 volumes...Shelving capacity of eleven-story Research Tower: 2,500,000 volumes...Seating capacity: 5,544 individuals. The new Library building also houses the Graduate Library School and a Cafeteria which seats 389 and is open 14.5 hours each day. Authorization for the building was given in 1962, construction was started in 1966 and it was occupied in June, 1969.

THIS MONTH'S "DO YOU KNOW?" corner includes these items:

1. If you haven't reported your most recent address to the Business Office, your W2 Form is likely to get lost.
2. There is a pay phone on the first floor in the concessions corner in the old elevator area.

THE NEWSLETTER CONTINUES TO HEAR ABOUT interesting hobbies among faculty and staff members. We hope that everyone had a chance to see Dr. Paul Hatrel's spectacular underwater photography and Mrs. Katherine Lehman's beautiful ceramic art which ornamented the library display case in recent months. Now we learn that Dr. S. Miles Standish, Assistant Dean for Graduate and Postgraduate Education, recently won three awards for photography in the annual Glendale Print Show. "South Wind," a picture of three stalks of grain blowing in a breeze, won first place in the Nature Photography division. "Thistle Bristles," a close-up of a thistle, won third place and a seascape of the New Jersey shore received Honorable Mention. Dr. Standish has been following the hobby for four years and is president of the Riviera Camera Club.
