IUACI Welcomes New Club President

Greetings Fellow IU Alumni and Fans:

It is with great pleasure and pride that I become President of the IU Alumni Club of Indianapolis. I am excited to continue the development of our common bond, our passion for Indiana University. Through our events and services, our Club strives to foster a continuing connection between each of us and IU, as well as develop new connections among our members. I welcome all ideas, new and old, as to how our Club can better serve you, our members. Please visit our Club website at www.alumni.indiana.edu/clubs/indy for updated Club information, and feel free to contact me directly with any questions, comments or concerns. The IU Alumni Association is celebrating its 150th birthday in 2004. I invite everyone to become involved in our local Club so together we can make the next 150 years as glorious as the past 150 years.

Go IU!
