

IUPUI Faculty Council

Circular 2013-05

MOTION:

The IFC Academic Affairs Committee moves that the academic calendar for fall 2014 be changed to provide more than a one-week break between summer and fall terms so as to not impact critical campus programs requiring a two week period prior to the fall semester. Specifically, the start date for the fall term is to be August 25, 2014; a fall break on October 20 and 21, 2014; and final grades due December 24, 2014. The fall final exam schedule is to compress to a week ending with a Sunday, rather than a Monday.
