SPRING, 1974

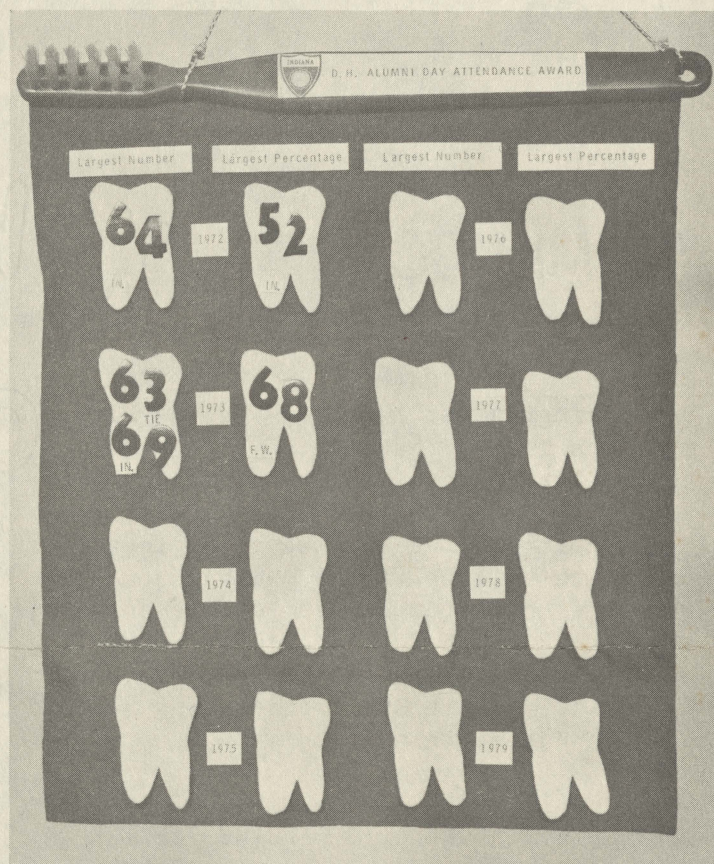

3rd Annual Alumni Day March 30, 1974

In November an orange "teaser" card announcing that the date for the Third Annual Dental Hygiene Alumni Day would be on Saturday, March 30, 1974, was sent to all alumni. We hope that you noted this date on your new 1974 calendars and that you are planning to attend this meeting. The classes celebrating a fifth year reunion are I.U.S.D. Indianapolis - 1954, 1959, 1964, and 1969. I.U.S.D. Ft. Wayne 1969 is also celebrating their fifth year reunion.

Although it is customary for those who were graduated in classes which are in reunion to make a special effort to attend, we would like to greet graduates from all classes from all four schools.

The co-chairmen for the 1974 meeting are Jackie Gray '57 and Pamela E. Guyton '69. Believing that "Variety is the Spice of Life", they have made some changes in the format. Here it is!

The "Big Tooth Award" is presented each year to the classes with the highest percentage and the most returning alumni. Why not help your class win this year by coming to Alumni Day, March 30th.
